

Letter from the Principal

Dear Students,

Welcome to the home of the Coyotes where our mission is to create a citizenry of motivated, life-long learners and socially responsible individuals. Combs High School is comprised of a large, caring staff, all of whom are dedicated to the founding principle of “Cultivating Creative, Caring, Contributing, Champions in the Community....One Person at a Time.” This year I challenge every student on Combs’ campus to focus on that principle; and to understand the power of influence behind one person, and work towards developing their individual characters into the kind of person that can make a positive difference in their community.

I would also ask you to give thought to our environment. Take a look at our campus grounds. It is a stunning landscape of desert trees and shrubbery that proves that a commitment to the conservation of natural resources can be beautiful. Speaking of the environment, recycle and re-use. The world’s resources are not limitless.

Furthermore, I would ask you to view each stranger as a friend you have yet to meet. Make it a goal to enrich your life by seeing just how many friends you can make this year. Watch how quickly that happens as you dedicate yourself to making time for people; even if the only time you have is the three seconds it takes to pass along a smile. There is a great need for generous, happy, caring people in our society.

Always remember to give your best academically, but not to let that become the only reason your feet hit the ground each morning. Make time to help the members of your community both in and outside of school. Give your ideas and energy to clubs and organizations. By doing so, you will enrich all aspects of your life and the lives of those you serve. If you see a need, don’t wait for others to do something about it; be the first to step up ... be the first to make a difference. If you blaze the path, others will follow.

Learn what your teachers have to teach and make the most of what Combs has to offer. Finally, choose your character; then become more than you think you are capable of. As Wilma Rudolph, the first American woman runner to win three gold medals at a single Olympics, once said, “Never underestimate the power of your dreams and the influence of the human spirit. We are all the same in this notion: The potential for greatness lives within each of us.”

Strive to be the best you can be, and I guarantee that you will experience unexpected success and rewards during this 2010-2011 school year!

Sincerely,
Mrs. Mayberry

Academic Integrity:

Honesty is a foundation value for success in career and life. Each student has an obligation to think and act with honesty and integrity, and respect the wishes of teachers and others in carrying out all academic assignments. Combs High School has established an Honor Code that all students will sign and be expected to know and follow. Academic integrity encompasses any

academic project, paper, performance, quiz, exam or any other work assigned by a teacher for a grade or credit (including optional credit). Cheating, fabrication and plagiarism (**see definitions below**) are all forms of academic dishonesty that will not be tolerated.

Cheating - using or attempting to use unauthorized materials or technology, unauthorized group work, information or study aids in any academic exercise or assignment.

Fabrication- involves the falsification or invention of any information or citation in an academic exercise or assignment.

Plagiarism -refers to using another's words, ideas, materials or work without acknowledging and documenting the source. Students are responsible for knowing the rules governing the use of another's work, and for acknowledging and documenting the source appropriately. Violations in carrying out class assignments, including the inappropriate use of the internet, cell phones, PDA's, calculators, or any other technology, will result in disciplinary consequences. The first offense results in a zero on test/work and up to 5 days of ISS; second offense, in that class or any other class over the four years, results in withdrawal from class with an "F".

Coyotes Skills for Success (CSS):

The purpose of Coyotes Skills for Success is to provide students with a setting where a teacher can provide assistance and monitor academic progress. Within the framework of Skills for Success teachers can work with students who need assistance with assignments, make up tests, complete laboratory work and complete other assigned work. Students may also visit their counselor, use the library, computer lab and career-counseling center. Coyotes Skills for Success is also used as a vehicle for announcements, TV Production videos, assemblies and activities such as student voting. While Skills for Success provides many opportunities for obtaining assistance from teachers and completing assignments, some students may need additional time with teachers before and after school in order to succeed academically. Coyotes Skills for Success is a class. Students will not receive off-campus passes to leave during CSS time.

Alert Recall:

The JO Combs Unified School District participates in Alert Recall which is a safety program that is designed to empower students, parents and community members with the freedom to disseminate information about negative activities that are occurring on campuses while at the same time keeping identities confidential. The website to access Alert Recall is www.alertrecall.com

Attendance Policy:

To report an absence please call **480-882-3540 (available 24 hours a day)**.

The right and privilege of attending public school carries with it certain responsibilities on the part of parents and students. High school attendance is ultimately the responsibility of the student and his/her family. It is important that parents and students recognize the direct relationship that exists between academic success and regular school attendance. Students should remain out of school only when absolutely necessary. Much classroom activity cannot be replicated; class discussion and participation is lost forever to those who are absent.

Definitions:

- **Absence** - A student who arrives more than 10 minutes late is considered absent.
- **Excused absence** - An absence is excused if a parent or guardian notifies the school. The reason for the absence must be given.
- **School-related absence** - If a student misses class due to a pre-approved school-related activity, it will not count as an absence.
- **Suspension** - The days of suspension do not count as absences for attendance policy.
- **Tardy** - A student is tardy when s/he is not in class when the tardy bell rings OR as stipulated in their teacher's classroom syllabus or rules.
- **Unexcused absence** - Any absence that is not excused by 2:30 PM on the same day by a parent or guardian.

Makeup Work:

It is the student's responsibility to obtain makeup work from his/her teachers.

- **Excused absence** - Students will be allowed the number of days absent to make up assignments. Work that was assigned prior to an absence will be due upon return to class. If a class project and/or major assignment has a specific due date and a rubric has been given to the student, that assignment shall be due on the stated date regardless of the excused absence. If the student is absent on the due date, the assignment shall be turned in on the day the student returns to class and will be considered late or the assignment may be turned in by a parent/guardian to be considered for full credit on the assigned due date.
- **Unexcused absence** - Students will be accountable for information missed. Teachers are not required to issue credit for the work.
- **Off-Campus Suspension** - Students will be accountable for all missed work due the first day after returning to school.

Absences:

• A student is allowed 10 absences, excused or unexcused per class per semester. The 11th absence will result in loss of credit unless there are extenuating circumstances. The following are examples of extenuating circumstances: hospitalization, personal/health reasons, family issues, chronic health issues, college visits, runaways, drug rehabilitation, parents kept child out, and parent issues. Contact one of the assistant principals with questions regarding extenuating circumstances.

~ Other extenuating circumstances may be determined by the Principal.

~Because block classes meet every other day, one absence is equivalent to 1.5 school days.

Traditional days are considered single absences.

• Students will be disciplined as a result of unexcused absences. Consequences will include any of the following depending on the severity of student non-compliance: in-school suspension, off-campus suspension and withdrawal from class. Students must be enrolled in four credit-bearing classes. Any student dropped from courses due to attendance will be withdrawn from school if their schedule drops below four credit-bearing classes. Students under 16 years of age can be cited for truancy.

Parent Notification:

- Computer generated letters are mailed on the 5th school absence.
- At the 11th absence, student will be withdrawn from school. Parent will be notified by mail.
- Automated calling system will call daily on all absences.

Teacher Responsibility:

- Teachers will complete attendance for each class daily.
- Teachers will make parent contact about attendance concerns.
- Teachers will allow excused students the number of days absent to make up the work when they return unless arrangements are made with the teacher.
- Teachers will hold students accountable for work missed when they return from unexcused absences, but not give them credit for the work.
- Teacher will have makeup work readily available to students with excused absences. After student/parent request, teachers will provide work within 48 hours for parent pick up.
- School related absence – teacher will assist student in arranging a time to take test/turn in assignments prior to the absence.

Student Responsibility:

- Students are accountable for their absences/tardies and should keep a record of their own absences/tardies so they know the totals at all times.
- For every day absent, students have one day to make up work.
- School related absence – students must take test/turn in assignments prior to the absence.

- It is the student's responsibility to obtain makeup work from his/her teachers.
- Upon return from a suspension, students have the corresponding amount of days to make up all missed assignments.

Closed Campus:

Combs High School is a closed campus. A closed campus is designed to aid in the safety and accountability of students. Combs practices the following closed campus procedures:

- All students will remain on campus during normal school hours.
- Parents or legal guardians are the only people allowed to sign out their children.
- Parents must sign out their children through the attendance office.
- Students will not be allowed to go off campus for lunch.
- Any student that has parental permission to leave campus must have cleared it through the attendance office.

Extra/Co-Curricular Activity Participation:

An absence in 50% or more of credit-bearing classes may limit the ability to participate that day. **If a student has an unexcused absence in any class, s/he cannot participate that day.**

Off-Campus Passes:

To leave campus a student's parents/guardian must call attendance office on the day of and prior to the time of the absence to receive an off-campus pass and to be excused. Students must have their ID to leave campus. Students who are ill must report to the nurse. The nurse will make arrangements with the parent/guardian with regard to how the student will get home.

Release Hours:

In order to leave campus during the school day, students must display a release sticker on their school ID. Release is limited to students leaving campus for religious instruction or other releases approved by the Principal.

Tardies Rules and Procedures:

- *Students who are late to class or who are in the halls when the bell rings are considered tardy.
- *Students late to school first period without a doctor's note or accompanied by a parent are considered tardy.
- *Students who are tardy for the fourth time in any scheduled class per semester and each time thereafter will be subject to disciplinary action. (Tardies #4-5 In-School Suspension, Tardies #6-9 Off-Campus Suspension, Tardy #10 Long Term Suspension and/or loss of credit.)

Ditching:

If a student is ditching, s/he will receive an unexcused absence ("U") and has no opportunity to make up the missed test or work. Teachers can also write a referral for ditching.

Attendance Procedure:

The following is a summary of the Combs High School Attendance procedure:

Parent Calls:

Only the parent/legal guardian of the student can notify the school of an absence or request an off-campus pass. When a parent/legal guardian calls to excuse their student, the absence is listed as excused and the reason given is documented. **Parent or legal guardian must call on the same day of the absence before 2:30 p.m.**

Unexcused Absence:

If a parent does not call on the same day of the absence, and the teacher enters the student absent, the computer automatically records that student unexcused.

Bookstore:

The Bookstore is open Monday through Friday from 7 a.m. to 3:00 p.m. A current student identification card is required in order to pick up yearbooks and dance pictures, receive refunds for class fees, or obtain a book. A number of school supplies such as paper, pens, pencils, notebooks, binders, poster board, goggles, etc. are carried for your convenience. **All purchases must be made by cash or check** made payable to CHS for the amount of purchase only. Students are reminded to retain their receipts for all purchases. Textbooks will be distributed during summer registration. Books issued are the responsibility of the student and must be returned to the bookstore if a class is dropped. Damaged or nonreturned books must be paid for by the student at the bookstore.

J.O. Combs School District participates in the National School Lunch/Breakfast program. Nutritious meals are served each day. All meals served must meet patterns established by the U.S. Department of Agriculture.

Cell Phones, Electronic/Digital Devices:

Keeping the Combs High School classrooms places of Rigor and Relevance - creates the need for changes in policy from time to time. Due to the increase in classroom interruptions, incidents of academic dishonesty, and reported thefts, **the following items are NOT allowed on campus:**

- iPods • portable DVD players
- personal laptops • cameras or video recorders
- mp3 players • laser pointers
- headsets • paging devices
- CD players or any personal • any game playing device
- electronic or digital music devices

These items that are unnecessary to our educational process and deemed potentially disruptive will not be allowed at school. The only exception to this policy shall be items brought to the classroom for instructional related activities that are supervised by the classroom teacher.

In addition, **CELL PHONES MAY NOT BE SEEN OR USED during the school day including passing periods and lunch.** Students may possess cell phones for use before school and after the school day, but their use during the school day from 7:10 a.m. to 2:20 p.m. is strictly prohibited. **Use is interpreted as using any cell phone function or feature, not just the sending or receiving of calls.** Cell phones must be turned off and kept out of sight. Cell phones may not be turned on until the end of the school day. The student bears total responsibility for safeguarding their cell phone. If an emergency occurs during the school day, a parent/guardian should contact the office immediately. Students will be immediately contacted and brought down to the office, if requested. Students may continue to use cell phones before or after school hours to communicate home and arrange rides. We recognize that technology is a part of the fabric of life today but rather than ban cell phones - we are opting to have reasonable limits to its use.

Lost or stolen cell phones or devices are the responsibility of the student. Bringing the item to school is at the student's own risk for loss/theft. Combs High School is not responsible for stolen or missing equipment and it is strongly recommended that they not be brought to campus. If a student violates the policy, any staff member may confiscate the device and turn it into to the office. On the first violation - only the student's parent or guardian listed on the emergency card with proof of identity may reclaim the device. Use of an electronic device for the purpose of cheating will have disciplinary actions. Use of a camera phone is strictly forbidden in private areas and such use may also be in violation of the criminal code.

Dances:

Dances sponsored by clubs or organizations within the school will be held throughout the year. **Students must show a current CHS Identification Card to be permitted into a dance.** Students are not allowed to leave and re-enter a dance under any circumstances. Guests are permitted for dances with a guest pass. **A guest pass, available through the Administration Office, is required and must be returned to Administration for approval prior to the dance and then must be presented at the door.** All school rules are enforced during dances. Students must dance appropriately which includes no freaking and no sexually explicit moves. Students must dance face to face. Any student dancing inappropriately will be asked to leave and can be banned from future dances.

All dances will end at 10:30 p.m. with the exception of Prom which will end at 11:00 p.m. for High School students. **Guest passes will not be issued to 8th grade students.** 8th grade dances will end no later than 8 p.m.

Deliveries /Messages:

To minimize classroom disruption, **the school does not deliver packages, flowers or other items to students during the school day.** Students should not bring balloons and flowers to classes because of student allergies.

Phone messages will not be delivered except in case of an emergency. Transportation changes between student and parent are not considered an emergency.

Dress Code:

It is the belief of the faculty and administration that school pride, morale and image are influenced by the general appearance of our students. Additionally, Combs High School expects student dress and grooming to reflect high standards of personal conduct so that each student's attire promotes a positive, safe, and healthy atmosphere within our school.

Student and Parent Responsibility:

Students and their parents/guardians have the responsibility to be aware of the school's specific dress code and to conform to these requirements. If a student or parent has any questions about whether specific attire or accessories are in compliance with this Dress Code, they should contact an Assistant Principal prior to wearing such attire or accessory to ensure compliance.

CHS Responsibility:

On campus, the faculty, staff and administration have the responsibility to interpret and enforce this policy. The administration retains the final discretion to determine that the garment or accessory meets the dress code. A set of guidelines has been created by a committee of parents, students, teachers and school officials. We want to provide the freedom for students to express themselves within the set of parameters listed on the next page. .

Guidelines: Pants, Skirts, Shorts, etc.

- Sagging is not allowed. The waistband of the pants, shorts or skirt must meet the bottom of the shirt or top at all times (i.e. standing, sitting, etc.). Pants should not drag excessively on the ground.
- Shorts and skirts must pass the "pointer finger" rule, which means that they may be not shorter than where the student's pointer finger touches the leg when the arm is hanging straight down.
- Pants, shorts or skirts must cover underwear at all times.
- Wallet chains with a maximum length of 10".

Guidelines: Shirts, Tops, Blouses, etc.

- No midriff, back skin or side skin showing. In other words, shirts and other tops must meet the pants/slacks/skirts with no exposure of abdomen, back or side.
- **Not permitted:** strapless tops, tube tops, racer backs, halter tops, or one-strap tops. No bustier or tops with spaghetti straps. Straps must be at least two fingers in width and/or 1 3/4" wide covering all undergarments. No see-through shirts or necklines that expose any cleavage. Students may not layer inappropriate shirts to attempt to make an appropriate one. (Strapless top over men's undershirt top, camisole over a racer back top, unbuttoned long sleeve shirt over men's undershirt, etc. Two wrongs don't make a right!)
- Underwear may not show (boxers, briefs, thongs, bras, etc.) and underwear and sleepwear worn as outerwear (i.e. camisoles, men's undershirts, or pajama pants) is not permitted.

*Please also see section on Gangs.

E-Mail:

Staff members may be contacted through e-mail. In general, all staff have the same ending address. Simply insert the staff member's first initial and entire last name before @jocombs.k12.az.us

Elevator Key Policy:

In order to check out an elevator key, the injured or disabled student must agree to abide by the following rules. The key is to be checked out from the administrative office.

1. No one other than the injured student may use the elevator. If the student allows others to ride the elevator, s/he could be suspended for insubordination.
2. Students must sign an agreement card in order to use the elevator.
3. A \$15.00 security deposit will be held until the key is returned.
4. When the key is returned by the agreed upon date, the deposit check will be returned. If the key is not returned, the checked will be deposited and the student will forfeit the refund.

Emergency Procedures:

Fire Drills:

State law requires all schools to practice fire drills. The purpose of these drills is to acquaint all students with the different exits depending on the area he/she may be in at the time of the fire drill. In case of a fire drill, students are asked to exit in an orderly efficient manner.

False Alarms:

Anyone who is found to be guilty of turning in a false fire alarm or bomb report will be subject to **prosecution**. Students found guilty are subject to disciplinary action. Emergency protocols are published and made available to all staff. Staff is trained and both personnel and students practice drills on a regularly scheduled basis.

Final Exams:

Final exams may not be taken early. Students must make arrangements to take final exams upon their return to school. Students have 10 days to complete their missed final exams.

Food and Drink:

Food and drinks, except capped, bottled water, are not allowed in classrooms, or on any carpeted areas. Students caught with food or drink in any of these areas will be subject to disciplinary action.

Gangs:

A gang is two or more people whose activities violate the law or school rules. Gangs that initiate, advocate or promote activities that threaten the safety or well-being of persons or property on school grounds or disrupt the school environment are harmful to the educational process. The use of hand signals, graffiti, or the presence of any apparel, jewelry, accessory, or manner of dress (sagging) or grooming that, by virtue of its color, arrangement, trademark, symbol, or any other attribute indicates or implies membership or affiliation with such a group is prohibited because of the disruption to educational activities that results from such activities or dress. It is the school's position that such activities and dress present a clear and present danger to the students at Combs High School.

Consequences:

1. Informal talk with a school official (teacher, security guard, counselor, administrator) who will attempt to reach agreement with the student as to acceptable behavior. Parental involvement by telephone, letter, or personal conference.
2. In-school suspension, off-campus suspension or off-campus police referral.
3. Long-term suspension or expulsion (continued and serious violations).

Guidance:

The Guidance Department mission is to ensure that all students acquire the national and state guidance standards in the areas of academics and career. Academic Guidance is the primary responsibility or role that each counselor assumes.

Each counselor:

- aids with academic planning
- maintains credit checks of students and forwards copies of special education students credit checks to the department chair
- registers students for the upcoming school year
- registers new students throughout the year
- handles schedule change requests throughout the year
- provides academic support; i.e., tutoring requests, homework requests, study skills help, etc.

A response counselor is available and "on-call" each day to enroll new students, meet with parents that walk in without an appointment and need assistance, assist administrators and for student crises and emergencies. Comb's Guidance Department welcomes students to use the resources that are available in the Guidance College and Career Computer Center. We encourage students to listen to the daily announcements and newscasts that announce the most updated Guidance information. Feel free to come into the Guidance Center, meet your counselor and explore all of the college, career, scholarship, and military aids that are available.

Hall Passes:

All students must have a pass from a staff member to be in the halls. No passes will be given the first and last 10 minutes of class. This applies to all students including administrative assistants, student council members, and newspaper staff members. Students caught out of class without an official hall pass may be charged with ditching and will receive a day of in-school suspension. It is the student's responsibility to secure a pass prior to leaving.

Students are responsible for returning the pass undamaged. A referral to the administration is the result of loss, destruction, or theft of property.

Hallway Rules:

While classes are changing, many students are moving through the CHS hallways and sidewalks. While classes are in session, the hallways and sidewalks should be empty except for those students with a pass. **During lunch time, students are not allowed on carpeted areas** (library is the only exception). The rules of conduct set forth below are established not only for instructional reasons, but for reasons of safety, cleanliness, comfort and convenience. The need to be considerate of other people and to respect their “space” is essential. Students should never use profane or vulgar language, should never run, yell, scream, or make excessive noise while in the halls.

Health Services:

A full time Medical Assistant is available to students during the school day. Students who need to see the MA **MUST** have a written pass from their teacher, even during passing periods. Students who do not have a pass will be sent to sweep. Students must sign in as they enter the MA’s office on the sign in log. Students who are ill and need to be picked up by their parents or designee must sign out with the front office. Any student with a **medical problem** (i.e. seizures, asthma, diabetes, or heart problems) should report the problem to the MA. Students who require medication during the school day must have their medication brought in by a parent/guardian in the original current prescription bottle and must have a parental medication release signed by their parent/guardian.

The MA is NOT responsible for assuring that students take their medication while at school and is unable to call students down that miss doses. Students may not carry medications while on campus; they must be kept at the MA’s Office. Remaining medication must be picked up at the end of the school year by a parent or guardian, or it will be disposed of. Students may carry inhalers at any time, but a signed parental/guardian medication release must be on file in the MA’s Office. All medication releases are good for the school year only and must be renewed annually.

Students with **diabetes** will be permitted to have immediate access to blood glucose testing equipment with them at all times if those accommodations are medically based upon appropriate documentation. Diabetic students should carry snacks and juice with them at all times and are encouraged to keep a supply of snacks at the MA’s Office.

In order to be **excused from PE**, the student must bring a signed note from their parent/guardian to the MA. If there are more than three consecutive absences, a signed Physician’s excuse **must** be given to the MA that states how long the absence will remain in affect.

Students who have an accident or injury at school need to report it to the MA immediately.

Immunization Requirements:

*Arizona law requires documentary proof of immunity against certain childhood diseases for students entering Arizona schools for the first time. With some exceptions, **students subject to this requirement who lack documentary proof may enroll but not attend school until proof is provided.***

Identification Cards:

Due to the increased concern regarding student and staff safety, all staff members and students are provided identification cards which must be carried at all times during the school day. ID photos are taken for students entering Combs High School for the first time at no cost. Students must have a current ID to leave campus due to an early release or off-campus pass, check out library materials, when picking up a yearbook, and to conduct bookstore business. **In addition, a CHS ID must be shown to gain entrance to all extracurricular activities including school dances.** IDs are the property of Combs High School. If defaced, students

must pay for the cost of a replacement ID. Replacement ID cards are \$5.00 and may be purchased from the bookstore during the school year.

Leaving Campus:

Parents are expected to **check in with the attendance office prior to a student leaving campus**. Students cannot leave campus during lunch without the parent coming into the attendance office and signing them out. Parents are the **only** authorized person(s) to take a student during the lunch period. There are no exceptions without administrative approval.

Library Media Center:

The Combs High School Library Media Center opens at 7:00 a.m. and closes at 3:00 p.m. For half-days, teacher in-service days and testing days, the library will close at the end of the **scheduled school day**.

Checking Out Materials:

- a Combs ID card must be shown
- Books can be checked out for two (2) weeks; can be renewed
- Students are limited to five (3) checkout items that are not textbooks
- No fines are assessed, but no more checkout of materials until overdues are resolved
- Students **MUST** pay for lost or damaged items

The main use of the library computers is for educational research. Staff members reserve the right to ask users to relinquish use as warranted, especially if the student is in violation of the JO Combs District Technology Agreement.

Expected Behavior in the CHS Library:

The Combs Library rules of behavior are designed to protect the rights and safety of our students, faculty, and staff as they relate to the proper use of the library. Library rules of behavior are enforced in accordance with the Combs Student Code of Conduct as specified in this handbook.

- Work in a manner that allows others to concentrate; disruptive behavior may result in the loss of library privileges or expulsion from the library.
- Follow school policies – **especially** no use of cell phones or other electronic devices, and our dress code.
- Leave your food and drink outside the library.
- Respect not only the staff and other students, but also the library materials and furnishings. **YOU** are responsible for the proper treatment and return of all materials used.

Lost and Found:

The lost and found is located in the bookstore. All lost or found articles should be reported to the bookstore. All unclaimed articles will be given to the Good Will at the end of each semester. If items are stolen, see security immediately and fill out a report.

Movies:

Combs High School students may view movies periodically throughout the school year. The movies viewed may be rated up to PG13. 8th grade students may view movies periodically throughout the school year. The movies viewed may be rated up to PG.

Off-Campus Jurisdiction:

In accordance with state law, violations in conduct by students going to and from school functions could result in disciplinary action. School rules and other reasonable expectations of acceptable student behavior are extended to include student conduct while off campus during

the regular school day. This includes the student's conduct while going to and from school and release periods. A student may be disciplined by the school for any misconduct while off campus at the times specified above.

Student Parking:

Consideration for parking permits will first be given to students who need to park for reasons related to academics and extracurricular activities through the end of the previous year.

Thereafter, permits will be issued on a first come, first served basis. Students must fill out a parking permit application in the bookstore and all information must be complete and accurate before a permit will be issued.

Combs High School is not responsible for loss resulting from damage or theft of contents of student's vehicles.

- Parking tags are non-transferable. Students and/or parents cannot sell or give away parking rights.
- Parking rules will be enforced for the safety of the drivers and pedestrians. Violations may result in the loss of parking privileges and/or school discipline.
- Students will be assigned parking spaces. The permit displayed in the car must match the parking space number.
- Students must have their parking permits displayed at all times while on campus.
- If a student has early release, s/he must provide a student ID in order to leave campus.
- Students are encouraged to car pool **if parents find this acceptable**; however, the driver is responsible for passenger behavior. **Parking privileges may be lost due to passenger misbehavior.**
- Loss of parking privileges may include, but are not limited to the following: Reckless driving, transporting alcohol, illegal substances or weapons, failure to drive courteously, failure to provide adequate seating for passengers, failure to respond to school rules and authorities, intentionally damaging other vehicles and **leaving campus without approval.**

Fees/Refunds:

The parking permit fee is \$50. This fee is good for the entire school year.

- Students who transfer before the semester begins will receive a full refund, thereafter; refunds will be pro-rated.
- If a student has early release, s/he must provide a student ID in order to leave campus.
- Students who forfeit their parking privileges due to infractions of school rules will **NOT** receive a refund.
- Students who receive a parking permit will be notified.

Note: Students without parking permits **will not** be permitted to park on campus.

Pedestrian Safety:

Students are expected to cross streets at the crosswalks. Concern for the safety of students while walking as well as driving requires that this procedure be followed.

Planners:

All students will be issued a planner. They will be expected to have their planner for each class. Students are responsible for writing the daily assignments for each class in their planner.

Students must have a planner. If lost, students may purchase a replacement planner for \$5.00.

Public Display of Affection (PDA):

Public display of affection (PDA) is prohibited. The school recognizes that genuine feelings of affection may exist between two individuals; however, students should refrain from inappropriate intimate behaviors on campus or at school related events. Examples of inappropriate behavior associated with PDA include: kissing, touching, fondling, passionate

embraces, sitting on laps, etc. Consequences for PDA will range from In School Suspension to Off Campus Suspension.

Release hours:

In order to leave campus during the school day, students must display a release sticker on their school ID. These can be obtained from Student Services. Releases are only allowed to students for religious instruction and by approval of the Principal.

Retention Policy (8th Grade Students Only):

It is our belief that students who exhibit passing grades and a good work ethic in Middle School will be successful in High School. Students who fail two or more CORE academic subjects (Language Arts, Math, Science and Social Studies) will be required to attend an approved summer school program and/or possibly repeat 8th grade.

End of 1st quarter: Parent/guardian of a student failing two or more CORE subjects will be notified and may be requested to attend a parent/teacher conference.

End of 2nd quarter: Parent/guardian of a student failing two or more CORE subjects will be notified via a form letter and may be requested to attend a parent/teacher conference.

End of 3rd quarter: Parent/guardian of a student failing two or more CORE subjects will be notified via a form letter, requested to meet with CORE teachers and administration to discuss the lack of academic progress and possible summer school and/or retention options for the student.

End of 4th quarter: Administration, counselor and CORE teachers will meet to review students who are considered for summer school and/or retention and determine the best placement for the mentioned students for the upcoming school year.

Senior Walk:

Senior Walk honors Combs seniors who have made outstanding contributions to the Combs community. If selected, honoree names will appear in a special program, as well as appear on the Senior Walk banner and be honored during the Homecoming Assembly and during halftime at the Homecoming Football Game. Parents or guardians have the right to question, in writing, the accuracy of any item in the student's records; this written response shall be attached to the disputed item.

2. JOCUSD will provide a hearing to challenge information in education records to ensure that such information is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student.

3. Any hearings held will be conducted according to JOCUSD policy, which is in accordance with the Family Educational Rights and Privacy Act Of 1974 and the implementing regulations.

Study Hall:

Combs High School strives to have all students enrolled in six credit-bearing classes. However, in some cases, a study hall class becomes necessary. Attendance policies, procedures and consequences apply.

Technology Use Agreement:

The J.O. Combs Unified School District requires that all students and a parent/guardian sign a district technology use agreement **before** using school computers. The technology use agreement form can be found in the J.O. Combs Student Policies and Regulations handbook.

Students who violate the technology use policy will lose computer privileges.

The purpose of school computers and equipment is for educational use only.

Student use of computers and equipment is a privilege, not a right. Any other use of school computers will result in loss of computer use privileges for an entire school year. A second offense will result in loss of computer use privileges for the remainder of your high school years.

Volunteers can be seen helping out as clerical aides, nurses aides, classroom aides and a variety of other capacities around campus. All of us at Combs are truly indebted to these generous people. If parents would like to volunteer, please contact the front office.

Combs Student Discipline**CHS Code of Discipline**

Combs High School is committed to the development of the whole person; intellectual and physical, with emphasis on the development of good character. With this in mind, Combs embraces high expectations for students in the classroom, as well as participating in activities and athletics. By striving to achieve these expectations, students will develop the necessary self discipline and learning competencies required for continued success in the world of higher education and in their careers. In addition, these beliefs help to ensure a positive classroom and school environment; one that is safe, orderly and supportive of learning. The disciplinary guidelines in the handbook enable the staff to maintain this level of expectation, and it is important that parents and students understand the individual responsibility and accountability required for maintaining civility in all aspects of life at Combs High School.

CHS utilizes several forms of disciplinary consequences including:

- **After-School Detention (ASD)**

ASD is utilized as a lower level disciplinary consequence. When assigned ASD, the student reports to a classroom within the school that is maintained as a strictly quiet area where the student works on assignments. Students are not allowed to sleep, talk, or be unoccupied. The focus is on utilizing time to complete school work.

• **In-School Suspension (ISS)**

ISS may be utilized as an alternative to out-of-school suspension which is prescribed by Combs High School disciplinary procedures. The administrator may elect to assign ISS as a means of providing a constructive, educationally related consequence for specific discipline categories. When assigned ISS, the student reports to a classroom within the school that is maintained as a strictly quiet area where the student works on assignments that are brought to the ISS room. Students are not allowed to sleep, talk, or be unoccupied. Students remain in the ISS room all day. Lunch and bathroom breaks will be supervised. The focus is on utilizing time to complete school work. ISS is supervised by a staff member at all times.

• **Off-Campus Suspension (OCS)**

OCS is used for higher level/chronic discipline (10 days or less). When suspended, students cannot participate in any school-related activity or be on any campus in the JO Combs School District. Any work missed can be made up for full credit and the absence(s) does not count against the ten allowed per the attendance policy.
