Your Public Education Tax Credit

Put it to good work for J.O. Combs students!

HERE'S HOW IT WORKS:

Decide which school you wish to support:

- Ellsworth Elementary
- Harmon Elementary
- Simonton Elementary
- Combs Traditional Academy
- Ranch Elementary
- J.O. Combs Middle School
- Combs High School

Decide which extracurricular activities you wish to designate with your contribution:

- Extracurricular activities are any school sponsored activity that requires enrolled students to pay fees in order to participate; such as extended field trips, sports activities, band, drama, art, science labs, technology, etc.
- The Site Council at each school will determine where non-designated contributions are to be appropriated.

Write a check up to \$400. for married couples filing jointly or up to \$200. for individual filing made payable to one of the above schools or to J.O. Combs Unified School District and designate an activity if desired.

Mail or deliver your contribution **with** the Combs Tax Credit Form to the school of your choice or to the district office at the corner of Combs and Gantzel **no later than December 31**. The Combs State Tax Credit Form can be found at our schools and the district office, or at www.jocombs.org – **State Tax Credit**.

WHY SHOULD YOU PARTICIPATE?

A tax credit is a dollar-for-dollar reduction in state tax owed. (*ARS 43-1089.01*)

You know exactly where your tax dollars are going.

Your school gets the extra funding it needs to pay for extracurricular activities of **YOUR CHOICE!**
